

## Dear Friends,

Praise God from whom all blessings flow! Our annual “Rest and Renewal” camp for Romanian missionaries was an absolute blessing. We were delighted to have close to 70 participants this year (including children).

It is a week in which we listen to the stories of the Romanian missionaries, share tears, laugh, hug, sing, and pray for one another. For many of these Romanian workers, this camp is their first opportunity to really share the hard and difficult stories in a safe and supportive setting, surrounded by their peers who understand that the life of a Christian worker is not easy.

While the adults spend time in Bible study, worship, and small groups, the children go through a similar program that runs parallel to the adult program, but is tailored to both children and adolescents.

This week is always one of the highlights of our summer. It is such a blessing to be able to come alongside Romanians who have dedicated their lives to serving God’s kingdom.

The feedback we received was overwhelmingly positive. Many of the participants left thanking us with tears in their eyes while saying, “You have NOOO idea how much we needed this!” It is such a delight for us to partner with the Romanian National Member Care Team to serve, equip, and challenge Romanian Christian workers so that they can thrive and shine in their ministries.

Praising God with you,

*Mihai & Tammy*
