

Revival in Europe

Dear Friends,

Revival is coming to Europe! That is our firm belief as we work on several boards and initiatives at a Europe-wide level. It certainly is not covered much in the world news, but God is certainly at work and great things are happening in this continent that very much needs the gospel!

This past May, we were so delighted that our organization, One Challenge, was finally able to hold a retreat for our workers in Europe to come together for fellowship, prayer, partnership, and strategy. The gathering was a definite answer to prayer, as we had been praying and trying to organize a Europe retreat for some time. This year, our goal became a reality! We were so encouraged to be with our colleagues and to see all that God is doing in Europe.

For instance, national leaders from across Europe are coming together to mobilize youth for missions as part of the bi-annual MissionNet conference, in which we play an integral part. Moreover, our Europe teams are involved in one of the greatest online outreach ministries to the Persian world, and are excited about new opportunities to disciple and develop Roma (gypsy) church leaders. These are just some of the many ministries and things that God is doing in Europe.

We very much appreciate your prayers for Europe. While many people view Europe as the perfect vacation, the truth is that Europe is now the least evangelized continent in the world. It is a vast mission field. Unfortunately, many Europeans have run away from Christ, but we believe God is bringing revival – in his time. Our heart is to come alongside what God is doing and partner with the Body of Christ to see Europe won for Christ. To God be the glory!

Praying for Europe with you,

Mihai & Tammy
