

**What comes to mind when you think about Europe?** Wonderful history, amazing art, delicious food, magnificent cathedrals, and architecture that spans centuries ...

Here is the reality of life and mission in Europe:

- Europe is the least evangelized continent in the world. (Operation World, 2011)
- “Europe is so post-Christian that it’s pre-Christian. Europe knows religion, but less than 2 percent claim to know Jesus personally.” (gmission.org)

**Join us on a prayer tour of Europe:**

**Rome, Italy:**

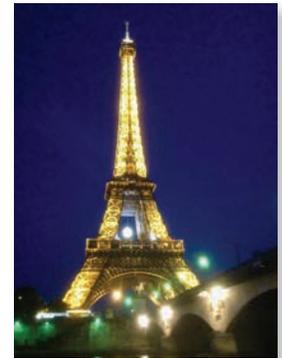

As we tour Rome, we see structures spanning thousands of years of history. Evidence of fallen empires that were once the center of the western world. Monuments to gods and beautiful places of Christian worship, all of them now only visited by tourists as symbols of ancient, irrelevant beliefs.

- Let’s pray together for the Holy Spirit to soften hearts to receive the gospel as the relevant and true Word of God for their lives, even in 2018 and beyond.

**Paris, France:**

Paris has long been known as the city of love, but in recent years it has been the focal point of hateful terrorist attacks. We visited Paris to celebrate our first wedding anniversary. We enjoyed being in love as we strolled together along the Seine and promised again to choose each other every day of our forever. About 18 months later, the terror attacks that opened Europe’s eyes to the newest threat happened and changed the way people see this beautiful city.

- Let’s pray that people will return to the Father who loves them, who waits for them, who offers them safety and strength by the power of his perfect love for them.

**Barcelona, Spain:**

La Sagrada Familia Basilica is a masterpiece still under construction. There’s something so hopeful in seeing a work in progress. Gaudi’s original vision is being carried out by architects and builders 135 years after construction began. There’s a legacy unfolding before our eyes and there is always something new to discover.

- Let’s pray for a rebirth of hope among the nations of Europe. May the people come to know that God is not finished with Europe yet!

**Join us in praying for transformation in Europe, recognizing that it is not just a beautiful vacation place, but the world’s biggest mission field!**

“Be still and know that I am God. I will be exalted among the nations, I will be exalted in the earth.” Psalm 46:10

Grace and peace to you!
