Summer Stretch Service Project

The final day of Summer Stretch we will be hav-
ing a Sole Party. We will be making the begin-
ning steps of shoes made out of denim which
will be sent to Uganda to prevent foot diseases.

Thousands of people in Uganda suffer from a
foot parasite called jiggers. Through education,
medical care, and shoes, the Sole Hope organi-
zation seeks to aid the Ugandan people to be-
come jigger free.

Throughout the five weeks we will learn about
service as part of the gospel, from a local per-
spective and a global perspective. Locally we
will be serving in areas of need in our Princeton
community. On a more global level we will par-
ticipate in Feed My Starving Children and the
Sole Hope Shoe Project.
