

Hello church leaders!

Happy day after July 4 (also known worldwide as July 5)! I hope you had a fun time celebrating the USA's birthday with loved ones! It was exciting for us to see a firework display in the US — of course we are biased, but fireworks and hamburgers are just better in the US on the 4th of July.

As ever, please read and share our July update and photos with any interested person or group in your church. We value your partnership and hold you and your ministry in our prayers.

Grace and peace to all.

Tammy and Mihai Lundell

June Ministry highlights

- We visited Christ Memorial Church in Plymouth, MN and both Calvary and Galilee Church in Roseville, MN. It was great to connect with friends and share our heart for Europe. Tammy also participated in the VBS program at Princeton Evangelical Free Church (top photo) and both of us enjoyed dinner with the missions team.
- Tammy made progress on her coursework for Deepen in Spiritual Direction and Mihai was able to connect a few times with the European Member Care Board planning for the new year.
- We had productive meetings with the leaders of the Evangelical Alliance in Italy as we work on our visa. We also met with our organization's leadership to complete our corporate debrief to formally close our time in Romania.

June Personal highlights

- Father's Day was a special day, as we celebrated Mihai's Grandma's 90th birthday with over 50 relatives and friends. We were blessed by nice, yet hot, weather. It was special to see Mihai's Grandma presented with a quilt made by Mihai's mom that detailed his Grandma's life and legacy (middle photo). An added bonus was spending time with Mihai's sister who was able to come from Alaska for a few weeks.
- We finally were able to enjoy time at the Lundell cabin. It is such a peaceful and serene place that allowed us to swim, canoe, water-ski, enjoy campfires, read and hear from God. We didn't mind hearing the call of the loons as well. :) (bottom photo)

Top Priorities and Prayer Requests for July:

- Working on our visa paperwork. We have an appointment scheduled at the Chicago Consulate of Italy on August 24. Please pray for the process to run smoothly and for the Italian government to accept and approve our visa. We have the backing of the Italian Evangelical Alliance — glory to God!
- We will be taking guided spiritual retreats this month in Minneapolis and in Sarasota, FL this month and are looking forward to hearing from God and enjoying time together. Please pray for us to find refreshment with God and one another this month. We are thankful for the ministries in both MN and FL that God has provided for us to take this time away for very minimal cost.
- We head to Florida on July 17 and we are hoping to add more monthly supporters. Of course, we also hope to be blessing to Tammy's family and enjoy time with them.
