

## Partner with us!

Dear Friends,

One of the most common questions we get when visiting with churches, friends, and families is “What does it take to get a missionary overseas?”

Our response is threefold.

### COMMUNITY

We could not do the work we do for the Kingdom without the affirmation and mentorship of friends and family. It is such a blessing to receive messages of encouragement from those near and dear to us and to know that we are thought of and appreciated. It is also important to have friends and a network of support in the local culture we serve.

### SPIRITUAL ARMOR

Obviously, we must be studiers of the Word and people of prayer. Spiritual warfare is real, and the enemy loves to attack us when we are weak. Not to mention, Europe is a very dark place these days. How comforting it is to know that we have a Savior and advocate in Jesus Christ who will not abandon us. We are conscious to spend time talking to God, worshiping Him and listening to Him daily. Moreover, we are so comforted to know that we have people praying for us all over the world!

### PARTNERSHIP

In order to do the work we do in Europe, we rely on the support of people like you. We have a monthly support requirement each month and are so thankful for those who give monthly to our ministry. As we transition to a new country and challenge, we would greatly appreciate it if more of you who read this letter would pray and consider being a monthly supporter. In supporting us monthly, you are helping to support the European nationals we work with find their roles in the Great Commission. Our main focus is to exponentially make disciples of Jesus among European nationals. As we have done for years, we will continue to invest, mentor, encourage, and launch European nationals for Kingdom work in Europe. It is time to win Europe back for Christ!

So, will you do us a favor and consider partnering with us financially? Our organization, One Challenge, has easy and convenient ways to partner with us monthly (please see giving options listed in this email and indicate your giving is for the Lundell family). For instance, you can give through automated checking withdrawal or credit card. A monthly donation of \$30 (or more, we hope) is a way for you to invest in Europe and be blessed in return! All donations to One Challenge are tax deductible.

Please pray with us for God to raise up more monthly supporters and please consider partnering with us!!

Thankful for you,

*Mihai & Tammy*
