

Dear Friends,

Organized chaos, transitions, goodbyes, and new beginnings! That pretty much characterizes what this month will look like for our family. As you read this, we are finally back in Romania after a blessed time meeting with so many of you throughout the United States. As we celebrate Thanksgiving this month, we are so thankful for all of YOU: your prayers, encouragement, and financial support are so very much needed and appreciated! Thank you!

We are also very thankful for Romania and especially for our friends, family, and ministry partners that we have walked alongside for so many years. It is with a heavy, yet joyful, heart that we say goodbye to the Romanian chapter in our ministry lives. We are proud of our legacy in Romania and that we have been able to hand the baton to national leaders that we both mentored and empowered to carry on ministries that we cultivated.

And we are thankful for Italy and the warm welcome and invitation we have received from the evangelical alliance, ministry leaders, and local pastors. We got our visas! Thank God and thank you for your prayers. We cannot wait to begin this new chapter in our lives and see all that God is going to do in Italy in and through us!

Enjoying our last holiday season in Romania

We could really use your prayers right now. If you have ever moved, you can imagine what our lives look like this month. We are selling furniture, packing up, and loading up the car for our move to Genova! Pray that our garage sale goes well and that we can manage well the stresses of moving! And pray that in the midst of the chaos, we can take the time out to spend quality time with dear friends and Romanian family!

Your prayers and financial support are so important right now in this time of transition. Thank you for your donations! We are so thankful!

Thankful even in the chaos,
